

Career Opportunity

Position Title: Service Fitter/Operator

Company: Cut Bank Gas Company

Location: Cut Bank, MT

Department: Construction Operations

Posting Date: 10/18/2022

Apply by: 10/26/2022

PRIMARY FUNCTION

The Service Fitter/Operator performs a wide variety of tasks in the field relating to the installation, and maintenance of piping system along with serving the company's natural gas customers.

Daily Responsibilities

- Follow direction of Crew Leader and Supervisor on installation and maintenance of natural gas distribution system
- Operate and maintain construction equipment
- Minor troubleshooting of gas facilities and equipment
- Meter and regulator installation and maintenance
- Read company meters
- Take cathodic protection reads
- Perform pipeline locating
- Operate leak detection equipment and perform surveys
- Maintain a working knowledge of company Operations and Maintenance Manuals and Construction Manuals

Miscellaneous

- Maintain Operator Qualifications
- Be put into an on-call rotation
- Respond to Emergency situations
- Perform other duties as assigned

QUALIFICATIONS

- Position is subject to DOT drug testing and background checks
- High school diploma or equivalent is required for this position. The individual will be expected to have a valid motor vehicle license.
- Must be legally authorized to work in the United States.

- Must live within 5 miles of Cut Bank upon hire.

COMPETENCIES

- Conceptual thinking and tactical problem solving are required to manage the diverse responsibilities of this position.
- Work well independently and as a member of a team
- Excellent understanding of customer needs and the skills and knowledge to deliver high value services.
- Construction experience and operating equipment is desired
- Work on gas fired equipment and systems is desired

WORKING CONDITIONS

PHYSICAL DEMANDS:

Duties involve heavy lifting and manual labor. The individual must be available for emergency call-outs and be able to work extended hours.

Majority of the workday is spent outdoors; therefore this individual is exposed to (and must have tolerance for) extremes of heat, cold, noise, and dust. Exposure to construction equipment and normal driving hazards is encountered regularly.

SAFETY SENSITIVE JOB:

This is a safety sensitive job and as such is subject to random drug testing as required by the U.S. Department of Transportation (D.O.T.). Employment is contingent upon passing a pre-employment physical examination and completing DOT OQ courses.

Application Process:

Internal candidates should complete the internal posting form and send the form to Annmarie Vincent, Human Resource Manager by the posting expiration date. Please include a resume if applicable.
